TROPICAL POLYNESIAN PRODUCTIONS

GLENDALE, AZ

Authentic Polynesian entertainment featuring the exciting and colorful dances from the South Pacific!

Arizona's spectacular Polynesian revue. The vibrant spirit of Polynesia comes from the celebration of life among the people of Polynesia. You can relive that memorable feeling as you relax and enjoy the music and dances from the islands of Hawaii, Samoa, Tonga, New Zealand (Aotearoa), Fiji, and Tahiti.

About Polynesian Entertainment
Our performances are colorful energy-filled Polynesian dance revues, featuring dances of Hawaii, New Zealand, Tonga, Fiji, Samoa and Tahiti. We include...

- Lovely hand-crafted costumes, with costume changes during the performance
- Emceeing and audience participation
- Live or recorded music
- Several different dances and activities, including the following:

Hawaii: Graceful movements, emphasizing the hips and hands, tell a story about life in Hawaii.

Tahiti: Wearing, beautiful tall headdresses, grass skirts and hand tassels, the dancers perform the Otea, moving their hips to the fast, pulsating drum beats.

New Zealand: Maori poi balls, which are balls attached to long cords, are twirled and swung about the body to form patterns, in a lasso-like high-energy display. In some cases, flaming poi balls are used. Canoe dances are also performed to tell a story of the Maori people migrating by canoe from Polynesia to New Zealand.

Samoa: Clapping and slapping Sa Sa dances tell a story about life in Samoa. Rhythm dances are performed with Lapa sticks. And a dramatic fire/knife dancer gyrates, leaps and spins while juggling flaming torches to a rapid, primeval drum beat.
